Quarterly results 2025

Growth across every region

17 October 2025

What we learned

- Customers want faster onboarding
- Pricing is clear enough
- Support response times improved
- Mobile usage doubled

Our new office

The team moved into a brighter space in the city centre.

Revenue by region

Region	Q3	Q4
North	120	140
South	95	110
West	80	99

Figures in thousands of euros.
